

Impact Report 2025

Empowering communities, transforming lives.

MESSAGE FROM THE PRESIDENT & CEO

1

Dear Friends and Supporters,

I'm pleased to present the Annual Impact Report for 2025. We've achieved some truly remarkable things this year in the battle against hunger, and it's heartening to witness our communities dedication to this essential work.

This year, we salvaged a total of 18,147.3 kg of food, all of which went directly to vulnerable communities. Furthermore, our focused food drives collected 75,095.8 kg of food, offering vital assistance to families struggling with food shortages and children who had been displaced. In total, we managed to distribute an impressive 93,243.1 kg of food throughout 2025.

Thank you for your steadfast commitment and kindness. Together, we're fostering enduring change and making a significant difference in the lives of those we serve.

— Gbadebo Odularu, PhD

OUR MISSION & VALUES

Mission: At No Hunger Food Bank, we are committed to eradicating hunger by partnering with farmers and local organizations to rescue surplus food from waste. We engage our communities and food value chain actors, inspiring and empowering individuals and families to work toward hunger-free communities.

Values: We prioritize compassion, integrity, collaboration, empowerment, sustainability, and inclusivity. Our goals include providing immediate food relief, raising awareness about hunger, empowering communities through skills training, promoting sustainable agriculture, and building partnerships. Ultimately, we aim to ensure no one faces hunger while fostering resilience and self-sufficiency in the communities we serve.

Vision: We envision a Nigeria free from hunger and malnutrition, where everyone has access to nutritious food. As we work to minimize food waste and loss, we aspire to create resilient communities that can inspire a hunger-free future across Africa and beyond.

IMPACT STORIES

Five hundred displaced female-headed households from the Durumi IDP Camp and the Karon Majigi community, which includes persons with disabilities, were empowered with agricultural tools for backyard farming, enabling them to achieve sustainability.

I, Grace Dalla, on behalf of the female-headed households in Karon Majigi, would like to express our heartfelt gratitude to No Hunger Initiatives for their incredible support through the Vertical Backyard Farming for Family Nutrition Needs (VERT2FAMNN) project. Thanks to this initiative, we can now feed ourselves and foster greater self-reliance.

On 10th April, our dedicated team recovered 4,520 kg of fresh produce from farmer Aliyu Muazu from Sokoto State. This remarkable effort took place in Mararaba, on the outskirts of Abuja, and the food was delivered to the Karon Majigi IDP camp. Fati Abubakar, the inspiring women leader from Borno State, received the items with immense gratitude, stating, “This food brings hope to our community, thank you for standing with us.”
